Application Guidelines

The CUC Lifespan Learning Program Office encourages youth and young adults to attend regional, national and continental conferences and leadership development opportunities and will provide subsidies (ten for youth ages 14-20 and five for young adults ages 18-35) of up to \$100 per individual applicant for this purpose. The CUC Youth Advisory Group may make recommendations on subsidy applications for special consideration as requested by the CUC Director of Lifespan Learning. Applicants may apply for subsidies only once every two years. This subsidy is need-based and awarded upon the following criteria.

1. Applicants should describe why they want to attend the specific conference and what they hope to learn and share from attending, the travel distances involved, and they must describe their financial situation, including other sources of funding they have pursued. We are inspired by the concept of abundance rather than scarcity and encourage generosity and creativity across the board in securing funding for youth to attend conferences.
2. Priority is given to applicants who are seeking partial funding from a variety of sources (asking their congregations, holding fund-raisers, seeking Youth or YA/CM continental office subsidies, etc.) and to applicants who are a first time attendees at the conference or training.
3. Subsidies are awarded on a first-come first-serve basis once all criteria are met.
4. Subsidy funds can be used for registration fees, housing, and travel costs.
5. Subsidy award will be sent by cheque to the home of the recipient.
6. Unused subsidies (for instance if applicant cannot attend due to unforeseen circumstances) are to be returned to the CUC Lifespan Learning program.

Send completed applications Canadian Unitarian Council, 018-1179A King Street West, Toronto, ON M6K 3C5 or send by e-mail to lifespan@cuc.ca.
