
Where on Earth are we going?

And what can we do about it?

The **Awakening the Dreamer
Changing the Dream Symposium**

is a profound inquiry into a bold vision: to bring forth an

- **environmentally sustainable,**
- **spiritually fulfilling, and**
- **socially just**

human presence on Earth.

If you are ready to explore what this vision means for you, with the opportunity to create an inspiring future, we invite you to attend.

*“This has given me the purpose and drive to change my life.
Everyone working for, or wanting a better world must see this.”*
