## WE ARE...

- † a community where the binding covenant includes support for the individual in his or her own search for meaning and truth;
- † a gathering point for those who reject creeds and dogmas in favour of an open and unfettered exploration of religious and humanist traditions;
- † a life-affirming religion with values validated in this life, not in some place of future reward or punishment.

## WE INVITE YOU TO JOIN US ON OUR SPIRITUAL QUEST!

If you are looking for a community in which to seek spiritual growth, and...

- † are eager to consider life's "big questions" with people who are not always sure they have the answers;
- † would like the fellowship of others for celebration and worship, discussion and education, friendship and mutual support;
- † want children to be helped to develop their own spiritual beliefs;
- † wish to preserve and extend the traditions of personal freedom and human dignity.

*You may find what you are looking for in a Unitarian congregation!*

## WE COVENANT TO AFFIRM & PROMOTE...

- † The inherent worth and dignity of every person;
- † Justice, equity and compassion in human relations;
- † Acceptance of one another and encouragement to spiritual growth in our congregations;
- † A free and responsible search for truth and meaning;
- † The right of conscience and the use of the democratic process within our congregations and within society at large;
- † The goal of world community, with peace, liberty, and justice for all;
- † Respect for the interdependent web of all existence of which we are a part.
